Gentlemen; let's be just a wee bit honest. Who doesn't kill civilians in any such extreme situations? Show me just any angel and I will bow to him or her.

It's a sad fact of invasions and occupations that these cause spiritual polution and everybody and anybody begins to kill anyone and everyone. The Talibaan are not delivered to us in some original factory condition by the Maker. They are from the same culture that has grown in Afghanistan since CIA crafted Jihaad and the ISI delivered it.

Hamid Karzai's govt. is a farce. Recognising it as an Afghan govt. is a shameless lie. Everyone knows it is there to serve the American interests.

First step in improving the condition of Afghanistan is to remove this farcical govt. from power.

Assalamu Alaykum sister Maryah

Do you know who that woman is ?

She was first suspected of cheating on her husband, but since no proof was found she was let go. But later, she Murdered her husband in cold blood and was then arrested. The man you see in the video shooting her is not actually a Taliban, he is the brother of her husband, and he was allowed by the Taliban to take revenge by carrying out the execution.

I never said "Taliban dont kill anyone", I said Taliban dont kill CIVILIANS. They certainly Do kill murdrers and invaders and rapists etc.

Wa Salaam,

And where do you get this information from?

Just would like to know your sources? And you are american? You do not write the Queen's English.

Sister, how would he give you any sources when he isn't prepared to come clean even about his location. He is the same chap who came in on the 4th day of Lebanon bashing - pretending to be an Afghan. He beamed off to Italy when his neck was caught in a typical Afghan peasant's lock.

His controllers didn't like him to be "embedded" in a western location so he was beamed up to appear as an Iranian.

Absolutely right, he is either an American or an Israeli implant, I suspect our Angel has been appointed his protector, minder, fixer, whatever.

wa alaykumussalam wa rahmatullah

This was what the Taliban themselves said back when it happened (around 6 or 7 years ago). If you think Im making this up, then please show us the "real" story. The reason why this picture is so often shown in so many places without any actual commentary on what's going on is because if people know that she is a murdrer, they would no longer be emotionally affected by it and the purpose of the propaganda (which is to incite hatred against the Taliban) fails.

And NOOOO, for the Xth time Im NOT an American.
